LETTER TO FILE AND STATEMENT OF SUBSTANCE OF INTERVIEW

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In an Action issued on February 22, 2007, the Examiner issued a Requirement for Restriction to one of the group of claims designated as Groups I, II and III. Response was timely filed on March 15, 2007, electing Group I for prosecution.

On May 15, 2007, a Notice of Non-Compliant Amendment was issued, on basis that each claim had not been provided with the proper status identifier, such as original, currently amended, etc.

In a telephone conference between the Examiner and the undersigned on June 8, 2007, the undersigned questioned the Examiner on the basis for the requirement she had applied, which the undersigned understands is applicable to amendments, but not responses to restriction requirements. The undersigned explained that the non-elected claims are simply withdrawn claims, and do not have to be indicated as such in the response for a restriction requirement. The undersigned is not aware of any such requirement in the M.P.E.P., as the Examiner has noted in the Interview Summary issued June 22, 2007.

Application No.: 10/784,727

It is presumed that the Notice of Non-Compliant Amendment has been withdrawn, despite ambiguity in the Interview Summary, and that substantive prosecution will commence. Accordingly, as the foregoing has been filed within one month of issuance of the Interview Summary, no extension of time is believe necessary.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
